

## LAPU LAPU

1. What was going on in Lapu Lapu's world? Can a place be discovered if people already existed? Was the Philippines discovered? Were Filipinos savages? Was the Philippines a civilization?

2. What did Spain want when they went to the Philippines? How was Spain's interest in trade different from the Arabs and Chinese?

3. Why did the Filipinos resist the Spanish? How would you feel if another school took over your school? What would you do?

vs.

## MAGELLAN

1. What was going on in Spain's world?(1491-1550) What power did the Pope have? Did Magellan discover the Philippines?

2. What did Spain want when they went to the Philippines?

3. How did Spain want to help the Filipinos? Why did the Filipinos resist Spanish authority?
